**BEFORE THE KERALA STATE ELECTRICITY REGULATORY  
COMMISSION**

In the matter of : Petition seeking approval for reliefs extended to Industrial consumers of Rubber Park as announced by the State Government during lock down to curb COVID -19 pandemic

Applicant : M/s.Rubber Park India (P) Ltd, 2A Kauteeliyam,  
Valayanchirangara, Ernakulam -683556.

**The petitioner humbly submits as follows:**

1. The Chief Minister of Kerala had announced various reliefs to the electricity consumers in the state for reducing the impact of the restrictions on account of the lockdown imposed to curb the spread of COVID -19 pandemic. A rebate of 25 % on the fixed charges applicable to Industrial and Commercial consumers and private hospitals for the month of March, April and May 2020 and defer the payment of balance fixed charges (75% ) of these months to 15/12/2020.
2. KSEB Ltd had filed a petition before the Hon. Commission on 12.06.2020 for the approval of the various reliefs extended to the consumers for reducing the impact of the restrictions on account of the countrywide lockdown imposed by the Government to curb the spread of Covid-19 pandemic. As such, the Hon. Commission had conducted hearings on 30/06/2020 and 19/08/2020. Rubber Park had also taken part in the hearings conducted by the Hon. Commission and

requested to extend the reliefs applicable to the consumers of KSEB Ltd also to the consumers in the licensed area of Rubber Park.

3. The Hon. Commission vide the order dated 31.12.2020 stated that the Commission is of the view that the current Order shall specifically be for KSEB Ltd. consumers only and directed that the distribution licensees other than KSEBL to file petition for extending relief to their Consumers.
4. The industrial units in Rubber Park had pointed out that all the industrial units in Kerala coming under the licensed area of KSEB Ltd had already received 25% rebate in fixed charges including those units working in the industrial parks operated by Kinfra where KSEB Ltd is providing the power supply. The industrial units also pointed out that it's not fair to withhold the rebates already passed over by the KSEB Ltd to its consumers due to lock-down restrictions imposed by the Government during the first wave of Covid-19 pandemic at a time when the industrial units were currently closed and facing losses due to the lockdowns and restrictions imposed by the Government in the second wave of Covid-19 pandemic. As such, the company had refunded the 25% of the demand charges remitted by the industrial consumers of the company from 24/03/2020 to 31/05/2020 in the monthly statement of June 2021.
5. The financial commitment to the company on account of the covid-19 relaxations as follows.

Month	Total Demand Charges of HT-1 and LT IV industrial consumers (Rs.)	25% Rebate on Demand Charges (Rs.)
March-20 (24/03/2020 to 31/03/2020)	2574638	643660
April-20	2413139	603285
May-20	2665829	666457
<b>Total Rebates to be passed on to consumers</b>		<b>RS.1913401</b>

### **PRAYER**
